

## *Sharon Ash*

*Sharon Ash was a woman of great beauty inside and out, with radiant smile that warmed all who surrounded her. As past president of HIAS and Council and chair of its Fundraising Committee for the past 10 years, she guided us to new heights in long range planning and fund raising.*

*The main theme of her life was always the family, which carried over in her services of helping immigrant and refugee families through HIAS and Council. Her dream was to ensure that refugee and immigrant youth have the opportunities for a better life in their new country. For this reason, HIAS and Council is establishing The Sharon Ash Resettlement Fund to assist newly arrived refugees and vulnerable immigrants in adapting to their new life in the United States.*

*Wherever HIAS and Council is representing immigrants, resettling refugees, and reuniting families, we know that Sharon will live on.*
